Dear Laura,

Thank you and the Rotary Club of Madison for the generous grant of \$1500. This will pay the tuition of three Madison West students this summer at Camp Everytown. We believe this will be our "breakout" year where we are able to possibly send 5-8 students and continue building a great network of young people with diversity training.

Our three delegates last year have spent a busy year making presentations to all the freshman classes about diversity and the opportunity of learning more by attending Camp Everytown. We look forward to the day when all students at West and the other schools in Madison have been exposed to this important life experience.

Again, thank you for the consideration. We will keep you posted on the 2006 delegates you have sponsored.

Best Regards,

Robin Allin, Jr.
President
